We are excited to announce our new partnership with Red One Medical Devices, LLC "Red One Medical," a Service-Disabled Veteran-Owned Small Business (SDVOSB).

Through this partnership, **effective October 29, 2024**, all Alafair Biosciences products are now available on Red One Medical's ECAT & DAPA Contracts. Red One Medical's team is staffed with medical device industry leaders with expertise in Government Contracts/Sales and we are excited to partner with Alafair Biosciences to drive continuous sales growth in the government sector.

**Starting October 29th, 2024, all Department of Defense (ECAT & DAPA) orders should be sent directly to Red One Medical using a Red One Medical Delivered Good Form.** Completed DGFs should be sent to customerservice@redonemedical.com.

**Notice:**

All Department of Veteran Affairs (VA) orders will continue to go through BMK until further notice. However, we encourage you to reach out to your regional Red One RVPs, below, to discuss VA opportunities within your region. Red One is currently active in over 120 VA accounts and can help you access and grow your business in these government accounts.
