

Certificate of Completion

This certifies that the merchant has completed the PCI Self-Assessment Questionnaire (SAQ) in the Aperia Compliance platform and has attested to PCI DSS compliance.

Merchant Name: 440 Innovations Llc

SAQ Level: SAQ A

Validation Number: GlobalPay6500000133111240426

Validation Date: 22nd Day of April, 2026

* Expiration Date: 22nd Day of April, 2027

ASV Compliance Status: N/A

* ASV Compliance Date: N/A

Approved Scanning Vendor: N/A

* All merchants are required to validate their PCI compliance yearly. The overall PCI status may be affected by changes in the merchant's card processing environment and/or failure to provide a passing scan as outlined in requirement 11.3 of the PCI Security Standard should one be required. This certificate reflects only completion of the merchant's self-assessment and may not be used to demonstrate PCI compliance.
